

# Teacher Training

**EARN 8  
STEM  
CLOCK  
HOURS!**

**June 25<sup>th</sup>  
8:30 am - 5:00 pm  
Brightwater  
22505 WA-9,  
Woodinville, WA**

**One-Day Water Education Training for Teachers  
in Snohomish County, King County, and Camano Island**

## What is Project WET?

Water Education for Teachers (Project WET) is the premier water education curriculum taught by teachers across the globe. You'll leave this workshop equipped with the skills to effectively teach standards-aligned lessons about one of Earth's most precious resources: water! We'll cover drinking water, water quality, and wastewater in this one-day teacher training workshop, including local examples from the Puget Sound Region.

***This training will be geared towards 4<sup>th</sup> - 9<sup>th</sup> grade teachers, but all grade levels are welcome!***

## Workshop Highlights

- Take a guided tour of the Brightwater Treatment Facility.
- Receive hands-on demos to become trained in Project WET Curriculum.
- Take home the Project WET 2.0 curriculum guidebook and gain exclusive access to the online teacher portal - full of great resources that you can use in your classroom.
- Be connected with your local Conservation District and the work being done to protect local waterways.
- Lunch provided!

**Register online: <https://2018projectwet.eventbrite.com>**

**\$35 Early bird rate if you register by June 1!**

**Fee includes lunch, clock hours and the Project WET Curriculum Guidebook.**
